

Dr. Carrie Coulter White a.k.a “SPARKPLUG”

...woe is unto me if I preach not the gospel! 1Cor9:16

As teacher, preacher, evangelist, and pastor, Dr. White ministers boldly and without compromise both locally and nationally, helping many to discover their spiritual potential by teaching, training, and mentoring them to press toward the higher calling of God in Christ Jesus. Her revelatory insight, particularly in the areas of practical application of Biblical prophecy, vision, purpose and life-coaching, makes hers a highly sought-after teaching ministry.

She is known and called by many titles, an educated woman holding multiple degrees in various disciplines, including receiving her Doctor Of Ministry in 2011, but if you were to ask, she would identify herself as God's handmaid on fire for God and passionate about igniting that fire in those around her.

During her Christian experience, she has served as youth minister, Bible school teacher, choir director, new members ministry chair, couples ministry leader, armor-bearer, pastor's assistant and member of an international prayer network of over 1200 powerful intercessors.

She was certified as Evangelist through the VOE School of Evangelism in 2007 and received Advanced Evangelism Certification in 2008. From 2008 to 2011, she served on the Executive Board of Elders of the T.L. Lowery Global Foundation; was licensed and ordained Minister and Pastor by Bishop Dr. Tony Slay and Bishop Dr. Chris Waller of Ministry International Inc., and credentialed Apostle through Four Rivers International, Inc., by Apostle Tim Edwards, of LaGrange, KY.

She founded Refined Heart Outreach Ministries as the vehicle to accomplish God's purpose for her life. She established and served as instructor for the Ministry International Institute Bible School Decatur, GA satellite campus in partnership with Refined Heart Outreach Bible Academy, an Associate Degree of Ministry program.

She is the orchestrator and coordinator of the semi-annual “Fill My Cup” Events, the teaching initiative of Refined Heart Outreach Fellowship, Inc., held the 4th Saturday of January and July yearly since 2009. Her GOD-inspired directive is to bring together the peoples from the North, South, East and West, to a worship and educational experience outside of the restrictions and demarcations of our various shadings of denominationalisms for a time of fellowship and building relationships, while providing the platform to ignite the passion, incite to action, and excite to invite others to a true spiritual relationship with Christ.

Dr. White is well known for her service and is often sought out as educator, speaker, teacher, preacher, worship leader, and event facilitator for various ministerial events. She is a mother and grandmother, entrepreneur, and mentor; a multi-faceted jewel with a heart refined by the fires of GOD's love. Her husband Harold, known to most of us as “Sonny”, encourages her to press forward in her GOD-given work, while he continues in his calling in music ministry. They walk together in their desire to serve, and support each other in that service.
